BAY SHORE ATHLETIC LEAGUE North Coast Section Ejection Policy

The following rules and minimum penalties are applicable to players as adopted by the North Coast Section (NCS) Board of Managers on April 21, 1995. This policy will be in effect beginning with the 1995-96 school year, (and will include non-league, league, invitational tournaments/events, post-season; league, and section or state playoffs, etc).

1. Ejection of a player from a contest for unsportsmanlike or dangerous conduct.
Penalty: The player shall be ineligible for the next contest (non-league, league, invitational tournament/event, post season play whether it be league, section or state).

2. Illegal participation in the next contest by a player ejected in a previous contest.
Penalty: The contest shall be forfeited and the player shall be ineligible for the next contest.

3. Second ejection of a player for unsportsmanlike or dangerous conduct from a contest during one season.
Penalty: The player shall be ineligible for the remainder of the season.

4. When one or more players leave the bench (or dugout, etc.) to begin or participate in an altercation.
Penalty: The player(s) shall be ejected from the contest-in- question-and become ineligible for the next contest, non-league, league, invitational tournament/event, post-season play including league, section, state playoffs (matches/events).

Appeals

Only appeals related to the factual situation of the player's ejection will be heard. Such appeals will only be made to penalties related to the subsequent penalties after the ejection, they will not have jurisdiction to change the status of the player's ejection from the game in question. No appeal will be heard related to official's judgment (other than an incorrect identification).

Appeals shall be heard initially through the ejected student's league, subsequent appeals may be made through the applicable North Coast Section, CIF and State CIF appeals procedure.

SPORTSMANSHIP CODE

Saint Joseph Notre Dame High School, a member of the Bay Shore Athletic League (BSAL), requires that all athletic contests played under its jurisdiction be exhibitions of sportsmanlike and ethical behavior. All contests must be safe and orderly. Athletes, coaches, game officials, and spectators must demonstrate courteous and controlled actions. Conduct of athletes and coaches comes under the immediate jurisdiction of game officials. Any disruptive behavior of spectators, such as yelling at officials and taunting opponents, could result in removal from the premises and/or forfeiture of the contest. Complete cooperation with school and game officials by student and adult spectators is expected. Athletic contests should be enjoyable experiences for athletes, coaches, and spectators.

EXPECTATIONS OF COACHES/PLAYERS

Attention is given to sportsmanlike and ethical behavior because the BSAL is making this a priority for the safety of our players and spectators, and because the example of professional and college sports is not the standard to follow.

Instances when game officials enforce the rules of the game as they effect sportsmanship and acceptable conduct are to be supported by the coaches; therefore, coaches are to subscribe to this code in principle and action. Within the rules of each sport consequences follow unsportsmanlike conduct. It will be necessary for each coach and player to understand not only the rules of the game, but what constitutes acceptable behavior in that sport and the consequences of unacceptable behavior.

The following are examples of unacceptable behavior and are intended to be illustrative and not exhaustive. Although the consequences of enforcement of the rules are subject to review, it will be the expected outcome at SJND that the ejection of any player or coach from a contest will result in his/her ineligibility to play or coach in the following contest. The coach will enforce player ineligibility. The athletic director will enforce coach ineligibility. The taunting of opponents or exhibitions of "in you face" attitudes are not acceptable and should result in the removal of the player from the contest until the coach reasonably feels this action will not be repeated. Players called for technical fouls in basketball or yellow flags in soccer that are not ejected by the game's officials should be removed from the game by the coach immediately until "heels are cooled." The manner in which coaches explain and reprimand their players for unsportsmanlike behavior is important.

The athletic director and/or principal will review any breach of sportsmanship that results in severe consequences, such as ejection from a game.

To all athletes and parents:

Saint Joseph Notre Dame High School has a responsibility to make you aware of the dangers of participation in any form of athletic competition. I am asking that you carefully read the statement below with your son or daughter, sign it, and return it to school. In addition, your signature indicates that you have also reviewed the school handbook section pertaining to athletics. A sports handbook may also be issued at a later date by your son's/daughter's coach.

I am aware of the potential danger of participation in interscholastic athletics--both practice and competition. I realize that there is a risk of being injured in all sports, no matter how many precautions are taken. I further realize that this risk of injury may be severe, including varieties of fractures, sprains, contusions, brain injuries, PARALYSIS, OR EVEN DEATH. I also realize that my son/daughter needs to follow carefully all the guidelines given by the coaching staff regarding training rules, safety procedures, proper use of equipment, legal and safe playing techniques, and any and all other safety procedures. I understand that even if all of the above is done, my son/daughter may still incur injury through participation in athletics.

Understanding the above, I give my permission for my son/daughter to participate in the sport of _____.
