**Pilot Recognition Program
September 2009**

Congratulations to the following students for being selected for the Pilot Recognition Program for the month of September. They will receive a “Front of the Line” lunch pass good for the month of October.

Grade 9 Jasmine Taylor
Nominated by Ms. Dlugosh

“From the very first day of school Jasmine has been an avid library supporter. She has checked out twenty books so far this year, not including the brand new books she convinced me to let her read before I even cataloged them. She has inspired me to read more so that I can keep up with her daily book discussions.”

Grade 10 Shelby Graves
Nominated by Mr. Ritter

“Shelby is a very talented art student in my Art 2 drawing class. She has taken extra steps to make sure that her drawings are the best that they can be, and she has continued to be organized and excited about her work. She is currently the top student in my second period class. Shelby sets a great example as a student and as an artist.”

Grade 11 Monina Cuyugan
Allison Tuazon
Nominated by Ms. Kuznik

“Juniors Monina Cuyugan and Allison Tuazon are students new to the Junior Campus Life Team. They have excelled in learning the duties and responsibilities of CLT. They have been key leaders in the planning and preparation of the Junior Unity Celebration. They are organized and dependable. They represent their classmates very effectively in the Campus Life meetings, sharing the concerns of the juniors and bringing new ideas to the discussions.”

Grade 12 Sofia Fernandez
Nominated by Ms. Henderson

“I have Sofia in two classes this year, Drama 2/3 and Mythology. She has volunteered every single time, and now she has taken upon herself to help without being asked. Not only that, Sophia is astute and creative in her assessments.”
