

SAINT JOSEPH NOTRE DAME HIGH SCHOOL

ANNUAL REPORT

JULY 1, 2017 TO JUNE 30, 2018

PRINCIPAL'S Message

"The validation of the WCEA accreditation visit and report is equally matched by the dynamic growth of SJND in all facets of the school's operations...By all indicators, SJND is on the rise - again, thanks to your support and generosity."

Dear Alumni, Parents and Friends,

The 2017-2018 year was an extraordinary one in the life of Saint Joseph Notre Dame High School. A highlight of the year was the Western Catholic Educational Association (WCEA) accreditation visit to our campus from February 11-14, 2018. A seven-member team of educators visited SJND classrooms, interviewed students and faculty, and reviewed all our major documents, including our Ensuring Educational Excellence (E3) report. Upon completion of the visit, SJND received an overwhelming affirmation of the quality of our school's educational programs and we received the highest possible grades in all standard areas. As a result of this report, SJND received a Certificate of Accreditation from the WCEA for six years, through June 30, 2024.

The validation of the quality of the school's educational programs is also in perfect alignment with the generous support of benefactors and donors, such as yourselves, who make all these quality programs possible for our students and faculty. Thanks to your generosity, SJND is able to fulfill its mission "to develop confident, open-minded, and effective leaders who are ready to live joyful lives of faith, scholarship, and service."

This generosity from benefactors and friends is also manifested in the \$1.9 million dollars in tuition assistance which SJND distributed to students and families in need who could not have otherwise afforded last year's tuition of \$17,960. Your support has also allowed SJND to increase the number of Presidential and Principal merit scholarships to support incoming 8th grade students who have achieved academic excellence.

The validation of the WCEA accreditation visit and report is equally matched by the dynamic growth of

SJND in all facets of the school's operations: enrollment is on the rise, the school's operating finances have improved, and the levels of giving at our various events have shown dramatic improvement. Our Pilots are traveling east and staying west and attending the most prestigious colleges and universities in our country. Our standardized test scores for the ACT and SAT have also shown growth. By all indicators, SJND is on the rise - again, thanks to your support and generosity.

We are thrilled that the addition of the new SJND bus will allow even more students the possibility of an excellent SJND college preparatory education, and we look forward to continuing to support new members of the Pilot Family who may require tuition assistance to make this dream a reality.

On behalf of the faculty and staff, I thank you for your generosity and continued support of our mission as we prepare the next generation of Pilots to soar to new heights.

Go Pilots!

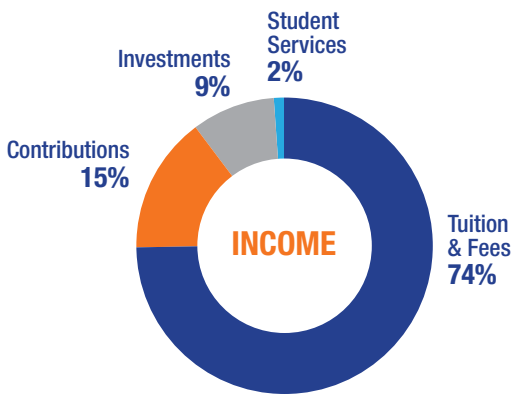

Sincerely,

Mr. Jennings
Principal

As the incoming Chair of the Saint Joseph Notre Dame High School (SJND) Board of Trustees, I am honored to share a few thoughts about the current and future plans of this great institution of learning. I have been affiliated with SJND for a long time. The Legacy of the Soublet Family extends back to 1962. Five siblings and five of our children have benefited from the quality education provided by SJND. We're all proud of this heritage and we continue to support our school.

What makes the future exciting is evidenced by my recent exposure to our great faculty and administration at a welcome reception in September. Our interactions at the reception affirmed my belief that SJND has some of the best people ever educating these young students. My orientation and engagement with the Board over the last two years convinces me that we have a great cadre of volunteers who care deeply about quality Catholic education at SJND. I have met many talented young people who have chosen SJND to prepare them for life. And, I have seen how so many remarkable young men and women have used the skills and experiences gained at SJND to prepare them for greatness.

As we look at our 2017-2018 results, SJND created a Strategic Plan that delineates how we intend to evolve as an institution. We are Rooted in Tradition, Educating for the Future; and our mission stresses that we continue to identify as a Catholic parish high school providing a dynamic and rigorous college preparatory education. This year we have our first group of International students who have chosen to attend our school. We believe they chose us because of our reputation for excellence. Our enrollment for 2018 is up from our previous year. Our fundraising efforts like the Reindeer Run, Crab Feed, Dream Flight and especially the Fund for SJND continue to help us meet our financial needs. With our accreditation assessments complete, we are in great shape for continuing to grow and change for the future.

The Board of Trustees, Administration and Faculty are committed to helping keep SJND a viable and thriving part of the East Bay educational landscape for years to come.

I'd like to thank everyone who has supported SJND this past year and encourage you to continue to support our school for the future. We need your support to fund programs that distinguish us from other schools. We need your support to help young people who, without your contributions, could not afford the education we provide. Thanks for all you do.

Richard C. Soublet
Chair, SJND Board of Trustees

ANNUAL REPORT OF DONORS

Annual Fund By Giving Level

Thank you to the following donors to Saint Joseph Notre Dame High School during the fiscal year July 1, 2017 to June 30, 2018. Contributions to SJND from our supportive community provide critical resources to our students. The Fund for SJND, our endowment funds and our capital campaigns support the legacy of excellence in Catholic education here at SJND and allow us to advance our mission of developing confident, open-minded and effective leaders. We have made every effort to ensure the accuracy of this listing. Please accept our apologies and alert us by e-mailing vbargagliotti@sjnd.org if you find an error.

The Power of Leaving a Legacy

Richard and Patricia Campbell discuss their decision to remember SJND in their estate plan.

“Saint Joseph Notre Dame has meant so much to our entire family. Three Campbell sons received first-rate educations and exceptional values that have led to satisfying careers and meaningful lives.

All of this could not have happened without the spiritual and financial support of those who came before them. Great schools do not exist successfully for almost 140 years without active, committed alumni and a community which provides volunteer time and financial assistance.

Rich, Sr. has given his time for almost four decades by being active on the School Board, Capital Campaigns, and on the Board of the Jawad Education Fund.

The cost of an SJND education is rising. Patricia and I have chosen to help assure the success of future SJND students with a major gift in our will/trust to the SJND Endowment. Joining the Heritage Circle offers a unique opportunity to truly make a difference, often a greater one than is possible in your lifetime. We invite those who clearly value SJND to join us in guaranteeing that this outstanding institution not only survives, but flourishes. Consider what SJND means to you. Then consider what your legacy gift can mean to SJND.”

To learn more about Planned Giving, or to inform us of your intentions to give, please contact Mollie McFarland, Assistant Principal of Institutional Advancement at 510-995-9456, mmcfarland@sjnd.org or visit www.sjnd.org/ways-give.

Kairos Campaign

The "Kindness for Kairos" crowdfunding campaign ran February 12 through March 26, 2018 and raised funds for the annual Kairos retreat. Kairos is a special four-day retreat offered to all SJND seniors at no additional cost to them and their families. Thank you to all of those who contributed in support of this transformative component of the SJND student experience.
