An athlete will be considered eligible for nomination five years after graduating from SJND. A similar standard of excellence should have continued on beyond their time at SJND both collegiately and professionally, if applicable.

A team will be considered eligible for nomination 10 years after their season of sport has been completed. Teams that are nominated should be those that brought honor to Saint Joseph Notre Dame by performing at a high level or exceeding expectations, while always demonstrating a distinguished degree of sportsmanship and team play.

As a guide to selecting outstanding athletes and teams, the following recognitions should be considered to be of great value and significance to the selection committee (this list is not presented in order of importance): SJND Spirit of the Pilot Award, All-League selection, All-East Bay selection, All-State selection, All-American selection, North Coast Section Champion, CIF State Champion, Verifiable Record Setter or Holder, participation or recognition at the national level, distinguished post-high school career, and/or winner of special awards given by teammates or coaches.

Former coaches, former athletic department staff, or past or present athletic supporters that have contributed to the outstanding success of SJND Athletics, and have had an extensive period of distinguished service to SJND, are also eligible for consideration.

Coaches considered for induction shall have been attentive to the continual development of their athletes. Coaches should have played a significant role in helping to create confident, open-minded, and effective athletic leaders. Coaches will have also worked to foster the physical, emotional, and spiritual well-being of their athletes. Years of service, a winning record, and number of league/section/state titles may also be used for consideration.

Athletic staff members and supporters who are nominated shall have provided opportunity and encouragement to SJND teams or the athletic department as a whole. As with candidates who were athletes or coaches, their service and dedication will have significantly contributed to SJND Athletics.

The Selection Committee may consider outstanding nominees whose qualifications may not be listed above.
